* Regarding this Spiritual Practice, see also [the Message of Master Saint Germain given on 13 July 2010](#).

** Those who live in another country should pronounce its name instead of Great Britain. If the country in which a person is living is different from his homeland, this paragraph is repeated, and the second time the name of the Homeland country is pronounced.

Explanation by Presence of the One

The Spiritual practice with the Violet Fire serves for a faster transmutation of the negative karma.

The power of this Spiritual practice, as well as the other Spiritual practices, depends on:

- 1) the strength of the Faith in the Lord of the person who performs it,
- 2) his/her impetus, concentration and the level of his own karmic purity,
- 3) and also whether he is carrying out this Spiritual practice alone, or prior to that he has invoked Me – Presence of the One, Lord Alpha, his Higher I AM Presence, and the Angels and Archangels of the Heavenly Angelic Hierarchy of Light, if such is our Will, to join that ministry of his so that its good-fruitful result is Divinely multiplied, and then he will thank us with all his heart and soul, and give us his Divine Love.

When each of the three paragraphs of this Spiritual practice is spoken, the person needs to focus, and the only thing he should do is imagine for some time how the Violet fire showers, cleanses and saturates with its energy first himself, then the country on whose land he is currently living, and finally the planet Earth. If his Homeland is a different country, he should also say that three more times for his Homeland and only then for the planet Earth.

Then, the person needs to keep this thought as much as he can and wishes, remaining in full concentration on each of the paragraphs, and only then move on to the next one, repeat the same and then say it for the third time.

Finally, the person needs to thank Me for allowing this Great Dispensation for karmic cleansing by doing this ministry with the Violet Fire to still work for these Light Souls who belong to the Living Life on this planet and are in the Light Network. And to send his Divine Love to me.
